

Pre-Purchase Checklist

Feel confident before buying your rug

STEP 1

Measure Room Size

Measure your room's length and width accurately to ensure the rug fits well within the space.

STEP 2

Measure Furniture Area

Measure your main furniture grouping, like living room seating or the dining table with chairs fully extended.

STEP 3

Identify Room Type

Determine if the room is a Living, Dining, Bedroom, Hallway, or another type to guide your rug choice.

STEP 4

Review Placement Rule

Check recommended placement rules for your specific room type to ensure proper rug arrangement.

STEP 5

Outline Rug Size

Use painter's tape to outline the proposed rug size on your floor for a better visual reference.
